## BIKES FOR BOOKS

Friday, February 9th, was the kick off to the popular Bikes for Books Program made possible by the Bristol Masonic Lodge! Jon Prime and Don Carrigan were here to remind students how important it is to read, while Mr. Perry test-drove a new bike in the gym. Teachers will keep track of the student's reading and there will be a raffle drawing for new bikes and helmets in April. There are many local businesses that support this event.

Dress as your favorite book character was also the theme for the day. Many students and staff members participated. Congratulations go to Lee Anne and Shamus for winning the raffle. They each get a gift card to Sherman's Book Store.

## BOYS BASKETBALL

Congratulations to the Boys "White" team on a great season, ending it with a Busline League Championship on Tuesday night. The boys got to the Championship game by defeating a tough St. George team. This game was back and forth and was very exciting. The boys had an easier time in the Championship game against Hope. The only time the boys trailed in the game was the first point of the game where Hope made a foul shot and went up 1-0. The last time our boys won a Busline League Championship was back in 2008. Thank you to all the fans who displayed great sportsmanship and to the Bristol fire department for providing a "parade" back to school for the boys. - Mr. Perry

## LOST AND FOUND

Please come by and check out the lost and found! All items will be displayed in the office lobby through February break. After that, they will be donated to an area agency.
