## KIEVE-WAVUS EDUCATOR IN RESIDENCE (EIR) PROGRAM

We are so fortunate to have Kelsey Goodwin here at BCS again this winter as part of the Kieve-Wavus Educator in Residence (EIR) program. This is her third winter working at BCS and her time is being spent leading weekly team building adventure based activities with many of the classrooms - including lots of outdoor time, working with students both in small groups and individually, and continuing to strengthen her relationships with our kids, especially our 7th and 8th graders who will be visiting Kieve for their first residential program later this spring. You might also see her eating lunch w/ students, practicing with and cheering on our basketball teams or playing a game of 4-square at recess so please introduce yourself if you can. We are very thankful for Kelsey and to Kieve-Wavus for sharing her with us this winter!

## EIGHTH GRADE INFO NIGHT

Eighth graders and their families are invited to an Information session at Lincoln Academy on Wednesday, January 23, from 6:30-7:30 PM, in the Alumni Dining Commons. During this session, Lincoln will review their course registration process and meet in smaller groups to discuss issues related to the selection of courses and to answer individual questions. The 8<sup>th</sup> grade students will visit Lincoln Academy on Tuesday, February 5, from 9-11:30. Lincoln Academy will visit with grade 8 at Bristol School on Monday, February 11, at 11:00 AM to go over the registration process.

## AUTHOR COMING TO BCS

On Wednesday, January 30, award winning children's author Eric Bennett will be visiting us from Northampton, Mass and reading from his recent book *Noodles' & Albie's Mermaid Parade*. We are very excited to have Eric here to talk about and read from his fun penguin adventure themed picture book.

Order forms were sent home with students in grades PK-4. If you are interested in purchasing signed copies of any of the Noodles & Albie books, please return completed form with payment to school on or before January 30th.
