YEARBOOK COVER CONTEST WINNER

The 2014-2015 yearbook cover design was created by Myles in 5G! We really enjoyed the simplicity of his collage, which perfectly captured the culture of our community. He created the piece with construction paper and colored pencil. Thanks to everyone who participated in the yearbook cover contest! There were so many wonderful entries. Once again, congratulations, Myles!

On Wednesday, June 10, Bristol School will present its Spring Art Show and Music Concert. Be sure to come by at 5:30 PM so that you have time to properly appreciate the pieces of visual art. Then join us in the gym for a 6:00 concert. Pre-K through gr. 4 students need to be in their homerooms by 5:50 PM. Gr. 5-8 band students should report to the music room, and gr. 5-8 students who are only in chorus will report to the gym.

BCS PARENT SURVEY

The Bristol Consolidated School Administration and the Bristol School Board are interested in how you feel about your school. We have created an anonymous survey to collect some feedback from parents. This is our second year of collecting your feedback. We hope to collect survey information each year so we can track our areas of strength and need over time. We are always looking for ways to improve and this is one way to include parents in our improvement planning. We held a Strategic Planning meeting back in April and included stakeholders from the community, school and administration. We are using this information to prioritize resources to better meet the needs and interests of our students. Please go to this link to complete our survey: <http://tinyurl.com/nrxznzh> Thanks for you time. Your feedback is important.
