## POWERSCHOOL ENROLLMENT (formerly called InfoSnap)

Student registration for the 2019-2020 school year will open on Thursday, August 1. This registration is **MANDATORY** for all students. The registration is done through the PowerSchool Parent Portal. For any student in grades 6-8 playing sports, this registration must be completed before the student can participate. More information on this will be included in the summer mailing.

## SPORTS PHYSICALS

Parents please note that if your child plans on participating in grade 6-8 sports next year, they must have had a physical within the last two years. This is especially important for students going into 6<sup>th</sup> grade who haven't yet played on a school team. We must have the physical form on file here at school and it must state that the student is cleared to play. Information on soccer and when practices start will be included in the summer mailing. If you have any questions, please call the school office.
