## SASSMM VISITS BCS

We were very fortunate to have an educator from SASSMM (Sexual Assault Support Services of Midcoast Maine) visit BCS this week and work with all of our classrooms around many different topics and themes connected to safety, respect and personal boundaries. There have been some changes in SASSMM's programming this year and in Pre-K - 5th the discussion and activity focused on personal space and respecting boundaries, and our 6th - 8th graders had four lessons focused on personal boundaries, gender stereotypes, information on LGBTQ+, as well as sexual harassment. The students did a great job with some really important information that will hopefully increase awareness and help our school feel like a safer, more respectful place for us all.

## BASKETBALL/CHEERLEADING

The winter sports season will begin this Tuesday, November 13. Cheerleaders will practice from 2:30-4:30 in the music room, girls basketball will practice from 2:30-4:30, and the boys will practice from 4:30-6:00. Based on the number of students who signed up, there will only be one team of each boys and girls basketball this year. There will be a parent meeting on Tuesday for all basketball players and cheerleaders at 4:30. - Mr. Perry
