To prepare for next year's Pre-K class, if you have or know of a child who is four years old on or before October 15, 2018, please call the BCS office at 677-2678.

## NURSE'S NOTES

The State of Maine requires schools to monitor a student's health, growth and development throughout their school years. Part of the monitoring includes immunizations, height/weight, vision and hearing. I am planning on starting the process of screenings next week. Screenings are done on students in Pre-K, Kindergarten, 1, 3, 5 and 7. Parents will be notified of any abnormal findings noted during screenings. If you have any questions or concerns, please notify me by email or phone call.

BCS will be holding a flu clinic on Wednesday, November 8, beginning at 8:30 AM, to provide flu vaccine to our students. Information on this was sent home with students today. Please return permission slips to school no later than Wednesday, November 1. Thank you – Lauri Pulsifer, RN

## JUMP ROPE TRYOUTS
