PARENT & SCHOOL COMMUNICATION

Now that the school year is in full swing, it is important that we utilize the many ways we communicate with each other to support our students. There is the routine communication that takes place via classroom websites, emails and our online SeeSaw tool. The other way we connect is during parent/teacher conferences. Those face-to-face meetings can be so important for building strong home and school relationships. We are planning to hold conferences on Thursday, November 8th and Wednesday, November 14th from 2:45-6:00 PM. You will receive an email in the next week or so with instructions on how and where to sign up. In addition to parent conferences we will be hosting some parent information nights later this fall to share more about our standards based reporting system. We look forward to working with you to support the growth of our students.

BCS PTO

Thank you to all of the families that have returned the yellow PTO membership registration forms and offered lots of different ways to help our students and our school. It's not too late to return your form and be part of our efforts for a great year here at BCS - you can also email bcsppto@aos93.org or attend our next meeting on **Tuesday, October 23rd at 5:30 PM** in the library.

POST-HALLOWEEN HUSTLE SPONSORED BY THE PTO

The BCS PTO is kicking off the school year with a new fundraiser called the Post-Halloween Hustle. This event will take place on the morning of November 1st. We are promoting school spirit and wellness with this event, which engages all the students in a walking/jogging activity. The "hustle" will be a loop set up on the soccer field where each group will have approximately 15 minutes to walk (jog/run) laps with their teammates. Laps will be tallied and students will receive a healthy snack to culminate the event. We are asking students to get donations for their participation and provided donation envelopes. The proceeds will go to the BCS PTO who plans to give half of the donations towards the construction of a new softball field at Bristol School. If you are interested in volunteering during the event please contact Gretchen Brinkler, gbrinkler@aos93.org; or Jennifer Ribeiro jribeiro@aos93.org, by email or phone at BCS. Thanks for your support! - BCS PTO

PUMPKIN RUN

Lincoln Academy is holding their annual pumpkin run on Monday, October 22, at 4:00 PM. All AOS93 6-8th graders are invited to attend and run the cross country course. This is a fun event and Lincoln Academy is encouraging all to participate. Students must get their own transportation to this event.

HEALTHY, HAPPY FAMILIES!

Healthy, Happy Families is a casual start-up group for all single parents, and their families focused on building healthy family relationships, and a wider community of mutual support through a variety of affordable (often free!) activities.

Our kickoff event will be October 21st with a fall hike at Maiden Cliff.

We will meet in the parking lot at Maiden Cliff at 10:30am.

The parking lot can be found on Route 52 North in Camden.

Bring water, snacks, or even a picnic lunch for the summit!

FMI: healthyhappyfamily18@gmail.com

We look forward to meeting you all!
