WELCOME BACK

The staff and students at BCS had a great start to the school year. The PreK-4 team hosted an ice cream social on Monday night. It was a great way for the students to get a sneak-peek at their teachers, classmates and classrooms! Over the next couple of week routines will be set and updates will be sent as new programs get started. The 5-8 team will host Open House/MLTI parent night on Wednesday, September 13, at 5:30 PM to meet with families. As the year progresses we will take time to share more details about programs and changes in the Beacon, on our website or through classroom correspondence. Please feel free to email or call the school if you have questions or concerns about the Bristol School experience for your child. Thanks for a great start to the year!

POWERSCHOOL REGISTRATION

A reminder to those who have not yet completed the PowerSchool registration – All registration, emergency information, health details, technology agreements and permissions will be completed through this process. If you have any questions, or are having trouble, please call the school office. If you do not have access to a computer with internet service, there are computers available at school for use.

YMCA AFTER-SCHOOL PROGRAM

The CLC YMCA is running an after school program again this year at BCS for Pre-K – 5th grade students. The program runs from dismissal until 5:30 PM each day. The program will begin on Monday, September 11. Please call the Y to sign up for this opportunity.

BAND INSTRUMENTS NEEDED

Got an old band instrument? Don't use it anymore? Mr. Johnston would love to hear about it! In an effort to get low cost instruments into the hands of BCS students in an easy way, we are reaching out to those who'd be willing to sell/loan/rent their instrument. We're looking for flutes, clarinets, alto saxophones, trumpets, and trombones. Many thanks!

MY SCHOOL BUCKS

Bristol School offers mySchoolBucks, a convenient online service that allows you to securely pay for your student's meals online using your credit/debit card or electronic check. You can set up recurring payments, track and review meal history, create low balance alerts, make payments with the mobile app – and more!

If you would like to set up an account, go to <https://www.mySchoolBucks.com>. You will need a student number, which you can get by calling the BCS office. If you choose not to use this service for payments, you can still track your child's lunch balance.

HANNAFORD HELPS SCHOOLS

Hannaford Supermarkets is once again bringing the Hannaford Helps Schools program to Bristol School for the fall of 2017. Hannaford Helps Schools gives schools and parent organizations an opportunity to raise funds for athletic equipment, computers, playgrounds or whatever your school needs. The program runs through December 2. Purchase participating products at Hannaford and earn school dollars. Deposit the school dollars into the collection towers at your local Hannaford or submit them in the BCS office. Flyers were sent home today with more information.
