FREE & REDUCED LUNCH

Bristol School offers a choice of healthy meals each school day. Children may buy lunch for \$2.65 and breakfast for \$1.25. Children who qualify under U.S. Department of Agriculture guidelines may get meals for free or at a reduced price. Your child can get free school meals if you get SNAP or TANF (Temporary Assistance for Needy Families). You may apply for free and reduced price meals at any time during the school year. If you are not eligible now but have a change, like a decrease in household income, an increase in household size, become unemployed or get SNAP, TANF or benefits from FDPIR, you can request an application. All applications are confidential.

If you were eligible last year and have not completed a new form this year, you have until September 30 to complete a new form. Please call the BCS office to request one.

ALERT SOLUTIONS 2

Alert Solutions 2 is a school messaging system with features that makes it easier for us to keep in contact with your family when school is closed or dismissed early. To guarantee the messaging system is used efficiently, your contact information needs to be up-to-date at all times.

Alert Solutions 2 allows the school to send messages using email, voice and text messaging through the existing PowerSchool Parent Portal. In the Parent Portal, under Alert Solutions 2, you can choose your contact preferences. Setting up the parent preferences is the responsibility of the parent. Please be aware that you cannot change the contact information, you will need to call the school to do that.

If you have any questions, please feel free to call the BCS office
