9:15	5	10:55	3
9:30	8C		

All times are approximate. Schedule subject to change. Retake Day will be scheduled after picture day.

A FRIENDLY REMINDER FROM YOUR SCHOOL NURSE

We are starting to see more and more sick kids. Let's keep sick kids at home to prevent spreading it to others. Below please find a few reasons to keep your children home.

Please do NOT send your child to school if he/she has or has had:

1. A fever over 100° F within the last 24 hours (kids must be fever free without medication).
2. Vomiting or diarrhea within the last 24 hours (if your child was sent home vomiting please keep them home the following day).
3. Strep Throat. They may return after being on antibiotics for 24 hours.
4. If your child appears ill you may want to consider keeping them home.

Always feel free to contact me with questions. If you aren't sure if your child should come to school or not give me a call and we can make the decision together.

Some helpful hints to keep your kids and families healthy!

1. Frequent hand washing is the best way to prevent the spread of germs.
2. Cover coughs and sneezes. We teach to sneeze or cough in your elbow.
3. Don't share drinks or food.
4. Avoid people that are sick and stay home when you are sick.
5. Disinfect surfaces that are prone to germs (we are working hard at school to do this as well).
6. Get your flu shots! We are planning a flu clinic at school on October 17th.

BOX TOPS FOR EDUCATION

Save those Box Tops!
A new contest has started. The class with the most box tops will win a party!
Box Tops are due on October 26.
