CATCH OF THE WEEK

The PreK-4th grade team has kicked off the new "Catch of Week" program that is designed to recognize and reinforce positive behaviors at school. The first area of focus this year is on being safe. The staff performed a couple of skits at an assembly Thursday morning to demonstrate appropriate line behaviors. The students loved seeing their teachers doing a poor job at walking in line and were eager to share ways to help! Staff will be "catching" students being safe starting next week and when they are noticed, will fill out a ticket that can be brought home. On Fridays each student that earned a ticket during the week will receive a "Catch of the Week" button. Throughout the year we will have different areas of focus including being responsible and respectful. These topics will be accompanied by staff instruction so students are taught the expectations.
