PARKING LOT REMINDERS FOR PARENTS

In order for the parking lot to be a safe place for students during the mornings and afternoons we have some routines we ask parents to follow.

Morning drop-off occurs between 7:50 and 8:10. Busses arrive in the parking lot as early as 7:50 and we ask parents not to drive up to the front entrance during that time. There are two options; one is to drive up between the two rows of parked cars and drop off at the cross walk or to park and walk your child in using the cross walk. Mr. Perry or Mrs. Ribeiro are the staff members who greet the students being dropped off at that time and are standing at the cross walk we want you to use. If you are dropping off before 7:50 or after 8:05 you may pull your car up the entrance to drop off your child. **Cars are not to be parked in the bus circle at any time during the school day.**

Afternoon pick ups need to occur after the busses leave the parking lot. Students who are being picked up wait in classrooms until the busses leave, then they are dismissed to meet parents in the library at 2:30. We ask that you arrive between 2:20 and 2:30 and wait in the library to sign out your child. If you have to leave before 2:30 you will need to sign out your child in the office prior to 2:20.

Thanks for your cooperation and feel free to contact the school if you have questions.
