A well attended art show and concert took place on Wednesday evening. The halls were filled with student art that the children shared with their families before the music performances. The concert began with songs performed by the band, then featured classroom music songs and finished with pieces sung by the chorus. It was a pleasure to have an audience view the student's art and watch the performance. Thanks for attending our spring arts event and supporting our students practicing their music at home!

The art show will be on display until Friday, June 7th. Student's art folders will be sent home during the week of June 15th.
